Tito, I look forward to Readiness and a couple of adult beverages. Thanks for all your help - I'm serious when I say you and Dana were great! If I need anything I will definitely call and I will work to keep you guys in the loop. Reporting nightmare has already started (3 hours after we got OK to notify residents Sussman was already asking for a report on how many we had reached....)

B'day is tomorrow. Big number 6--0. Was suppose to be off but am now planning on coming in at least for the morning.

Talk to you, den.

No problem Den .... I can only imagine the day you've had .... You have definitely been in a marathon on this matter for several weeks ... Hope it settles down promptly.

BTW ... rumor has it you are celebrating an important B-Day sometime during this week.

Happy B-Day !

Looking forward to hanging out at readiness. Let me know if I can help with anything.  
Tito
